- GitHub Profile

NAVGURUKUL

NavGurukul, founded by an IIT-D alumnus, runs an 18-month programming course for bright, self-driven students. The program not only cultivates talent and loyalty but also contributes to enhancing workplace diversity.

Leadership Experience

I served as a Discipline Coordinator for 4 months, overseeing a group of 150 girls. Additionally, I fulfilled the role of English Coordinator, leading and managing a group of 30 girls.
